Field Trip to Aarey Forest: Urban Wilderness & Adivasi Wonders!

In a world often dominated by concrete and screens, our learners of Classes 5 to 8 stepped into a different rhythm of life on their field trip to the Urban Forest and Adivasi Village in Aarey, Goregaon (East). The day began with a guided nature trail through the dense greens of Aarey Forest.

Into the Wild and the Woven – Aarey's Urban Forest

What followed was a deep cultural immersion at the Adivasi hamlet, where students participated in a Warli Art workshop. Learning moved beyond lessons, into living traditions, silent forests, & the quiet wisdom of indigenous communities. A powerful reminder that nature teaches best when we walk gently through it.
