KES International School Named Among the Top Emerging Schools in Mumbai!

KES International School: Where Values Meet Innovation

Nestled in Kandivali West, Mumbai, KES International School stands as a beacon of modern education, deeply rooted in values. The Kandivli Education Society is a Registered Charitable Trust that has been in the field of education for nearly ninety years. The Trust caters to about 20,000 students across various colleges of Science, Commerce, and Law in Kandivali. The school is managed and operated by MAX Edusol, led by Sujay Jairaj and his team. He is the Chairperson of Chatrabhuj Narsee School and the Trustee of Jambhaji Narsee School. Their preschool education combines time-honored strategies with recent trends, ensuring a holistic learning experience for every child. With a fluid curriculum, they offer students the freedom to explore, question, and grow in an environment designed specifically for Gen Alpha learners.

At KESIS, their teachers are more than educators—they are practitioners, constantly refining their methods through periodical teaching programs that emphasize innovative teaching patterns. Trained practitioners follow an approach of R-S-T: first Reach the student and then Teach the student. Subject integration is at the heart of our pedagogy, ensuring that students connect concepts across disciplines in meaningful ways. Stress-free

nurture the joy of learning without unnecessary pressure.

Their aesthetically pleasing environment is designed to promote calmness and focus, enhancing the learning experience for children. This mindful approach to design reflects their commitment to creating spaces that nurture creativity and well-being.

Gen Alpha learners, curious and driven by logic, are encouraged to ask "why" and actively engage in social concerns. We also emphasize on environmental sustainability, urging students to not only learn but also act upon the pressing need for eco-consciousness. At KESIS, education is about empowering future leaders with knowledge, values, and responsibility.
