Sports Day 2024: "Save the Earth"

This year's Sports Day embraced the theme "Save the Earth," blending athleticism with environmental consciousness. The day began with a spectacular march-past, followed by energetic GARBEXERCISE display choreographed by Mr. Jigar Soni. We were honoured to have Mr. Yogesh Kanchgar, strength & Conditioning Coach for Indian Table Tennis (Paris Olympics 2024) & Mumbai Ranji team as our chief guest.

Thematic Races: Merging Fun with Purpose

The centerpiece of our Sports Day was the innovative thematic races, which combined the excitement of sports with creative challenges designed to promote environmental sustainability.

Inclusive Fun for All Ages

A highlight of the event was the active participation of mothers, fathers, and grandparents in races. Their involvement fostered unity and motivated the children, who cheered them on and were inspired to participate with even more enthusiasm.

A Celebration of Sportsmanship and Environmental Awareness

As the day concluded, students received medals, honoring both their athleticism and environmental commitment. While competition thrived, the true victory was in raising awareness about environmental issues and the collective responsibility to protect our planet.
