Atulya Bharat : By Pre-Primary

With sparkling eyes, gentle confidence, and boundless joy, the little learners of KES International School brought alive Atulya Bharat: Journey of Incredible India –a tender and colourful celebration of the nation’s beauty as seen through the innocence of childhood.

More than just a colorful spectacle, Mitthu's journey was a beautiful, interactive geography lesson. Through the eyes of a sweet parrot, our youngest learners discovered that while the languages, outfits, and music change at every stop, the heart of Atulya Bharat beats as one.
