## Experiential Learning at Its BEST!

Our young explorers from Nursery and Jr. KG set out on an exciting field trip to a bus depot, turning a simple outing into a joyful learning experience! The visit offered our young learners a first-hand glimpse into the functioning of a bus depot.

Learners observed how buses are maintained & washed, gaining a deeper understanding behind everyday transport. They also got to board a bus and even received tickets—making the experience feel truly real and immersive. In a heartfelt gesture, the children presented handmade thank-you cards to the depot team, expressing their gratitude for the experience.
